WACO Clerks Association
Carbon County Clerk
Carbon County Court House

Rawlins WY 82301

Dear Ms. Bartlett:

The League of Women Voters of Wyoming (LWVWY) understands that the Joint Interim Corporations Committee has identified a priority and asked the clerks for recommendations on it:
Priority #: 2 Elections 1. County clerks recommendations, including mail ballot elections, modernizing voting equipment, polling places and election judges, presidential primary elections, party change deadlines and voter identification.

LWVWY has a long standing interest in voter services, registration, education, and access. The national group was born in 1920 after the Nineteenth Amendment was ratified, as a result of that ratification. We would like to work with you to achieve more registrations, more efficient and effective elections, and increased participation. We hope you will include us in your preparations and keep us informed as you develop materials for the Interim Committee. We have read the materials presented at the May Interim Corporations meeting. We would be glad for the opportunity to support your suggestions to improve processes for registration and voting. We are nonpartisan; our goal is to make democracy work. We stand ready to assist you as we can. Your work is vital.

Sincerely,

Susan M. Simpson, President
League of Women Voters of Wyoming
