THE WYOMING CAPITAL CLUB

PO Box 2103

Cheyenne, WY 82003

The WY Capitol Club is an organization of registered, professional lobbyists who lobby before the Wyoming State Legislature. The Club's mission is to promote, among its membership, the highest standards of responsible, professional lobbying before the Wyoming State Legislature in order to affect timely and beneficial public policy for the state of Wyoming, its business and citizens.

We are located in The Capitol extension at the newly restored State Capitol Building. This is located between The Capitol and the Herschler building. We are open during the Legislative Session. Lobbyists, legislators and anyone having business during the Legislative session are encouraged to leave messages for individual lobbyists at the Capitol Club.

The Wyoming Capitol Club and our sponsors provide a directory of our members to assist those who have business before the Wyoming State Legislature in locating individuals who represent the interests of a particular company, industry or issue. If you are interested in obtaining one of our Wyoming Capitol Club directories, please stop by the club during session to pick one up.

The Wyoming Capitol Club has many amenities available to our members: work areas, scanning, copy machine, wireless internet with printing capabilities, notary service, bill service, coffee, snacks, juice and water. During the Legislative Session, the club has a full-time staff to assist you. Legislative Directory booklets containing information about the Wyoming Legislature and its members are available at the Capitol Club office as well.

If you are interested in joining or learning more about the Wyoming Capitol Club, please visit our website www.wycapitalclub.com or call 307-274-8356.

We would also like to thank
the Legislative Service Office
for their help in the compilation of information for
the Legislative Directory.
